

November 20, 2018

Dear PAC Supporter,

The Partners for the PAC are excited to send an update about the PAC (Clatsop Community College Performing Arts Center), and to request your support in the form of a donation or sponsorship of an upcoming event.

As you know the PAC Partners have been engaged in raising funds to keep the PAC open and operating as a community arts and education venue since 2012, through an agreement with Clatsop Community College.

The Partners for the PAC are currently in negotiation with Clatsop Community College toward the purchase of the PAC. The Partners started a due diligence process in July 2018 to determine the feasibility of the long range plan to acquire the PAC. We intend to finalize a plan for the PAC by spring 2019. Acquiring the PAC and moving forward will necessitate a capital campaign to raise funds for deferred maintenance, operating costs, and to establish a sustaining fund. We feel optimistic about the process!

The partner groups; North Coast Chorale, North Oregon Coast Symphony, North Coast Symphonic Band, North Coast Big Band, Astoria Music Festival, Cascadia Chamber Opera, Pacific Unitarian Universalist Fellowship, and Tillicum Foundation all support the PAC through financial and in-kind contributions.

The Performing Arts Center remains vibrant with cultural activity throughout Astoria and the North Coast region due entirely to the volunteer efforts of the Partners for the PAC. Your sponsorships and donations help to underwrite events and continue to bring sparkling entertainment and cultural events to the area. The enclosed material contains information about upcoming events, the partner groups who rehearse and perform at the PAC, and information for making a donation.

Thank you for your support of the Partners for the PAC.

Charlene Larsen
President, Partners for the PAC

PS. Your gift is tax deductible to the extent allowed by law. In compliance with IRS regulations we affirm that no goods or services were provided to you in consideration of this contribution. You will receive an acknowledgment of your gift.
